

CowFund Gift-Cows

Q: What do you give a person who needs nothing?

A: A gift-wrapped cow!

A CowFund Gift-Cow delivers:

- Sustenance and income to impoverished families,
- Enrichment to struggling communities,
- Satisfaction to the donor, and
- Esteem to the beneficiary.

When Fred and Mary present Lizzie with a CowFund Gift-Cow for her birthday, the following chain of events occurs:

- CowFund direct 100% of the gift cost to approved micro-credit programs to support impoverished families in our region,
- Lizzie receives a CowFund Gift-Cow certificate which she can proudly display in her home, office or country residence,
- Lizzie also receives an iron-on transfer which she can display on her favourite T-shirt, frock or pinnie,
- Fred and Mary receive kudos from all quarters for the considered and socially responsible nature of their gift selection.

You too, can bask in similar esteem as Fred and Mary! Order your Gift-Cow today from tmo@cowfund.org.
